1. Ted, the messages I give you, and I am giving to you regularly, on your heart, on your yellow tablets, and soon on your computer—Ted, you will share often, preaching and teaching and maturing the matable.
2. I love you Ted. I love you for sharing what I give you. I love you for wanting to lift the pastors and rabbis and priests and all/anyone—everyone—into Me and My presence more. I appreciate you caring for those lost—with no compass, no sense of direction, those floundering, even with the right lingo, the right impressiveness—but lost, wondering, wandering, spinning, and stagnant.
3. Thank you for caring about My houses becoming houses of prayer and heralding the message now that preparation must ensue immediately to plan and prepare and deal with the people I am bringing in My houses of prayer, to exercise their privilege of prayer in knowing Me and My voice and My design.
4. Oh tell them to pursue immediately plans that allow My seekers of Me to come in to My houses of prayer when they are ready to come into My houses of prayer, and My houses of prayer must not dictate when they come, how they come, or how they seek Me when they come.
5. Peace, provision, power—order of Me. Prescribe not lists of rules and precepts that must be adhered to, but freedom, tenderness, wisdom, discernment, drawing them to Me I am, and I must have many more prepared to shelter the homeless that are looking for their rightful home—in Me, in My presence, in My mansion filled glory that await all who prepare for My entrance—into them—and allow Me to enter, in fullness, in fullness requested but entranced by whatever they allow.
6. Oh precious are My seeking-Me who wonder and wander but soon focus on Me, allowing Me to heal and touch and—nuances of doctrine not very important now Ted.
7. Me, Me, preach Me, preach My doctrine which is love and respect and honor and obedience and holiness and righteousness and Ted, all that comes from My heart into their heart, and not by adherence to a list of rules—do's and don'ts prescribed and reduced to writing and practiced by man.
8. Freedom, freedom, freedom. Oh Ted, write, write, write. You will write, write, write—for generations you write, write, write—training up, raising up generations, generations, generations of freedomizers who will freedomize their followers and their farms and their factories and their operations and organizations and results will declare power and wisdom of My freedom.

9. My wisdom validates My freedom.

My freedom validates My wisdom.

My all of Me validates all of Me.

That's why so painful are the hurts inflicted by My body to My body—hurting Me so painfully—so many so ignorant.

10. Teaching, training, arising you are many, who grasp and run and soar in Me to proclaim truth and freedoms of truth and truth of freedoms long lost in Me.

11. Oh renew—oh renew, oh new, oh old in Me made new in Me that never grows old—fresh, powerful, precise, accurate, deliverable, delivered, beside you, waiting.

12. Create—research delivered.

Create—research demonstrated.

Create—realization in-hand—

Sustained, sustained, sustaining all.

Encompassing so much of My truth you are—

13. Oh Ted, oh participants, oh players serious but enjoying Me, My words, My path-makers—oh joy, oh laugh, enjoy Me, enjoy each other and allow Me to create, create, remonstrate—demonstrate, display My creativity which will propel, propel, propel, provide—abundanced.

14. Write, write, write and enjoy your concepts gleaned—

Enjoy Argentina and those I set you beside—

Those I bring to your voice and those that voice Me—

Enjoy, enjoy, enjoy—

15. Authority-ized you are—walk tall, confidenced, in the authority I've given you—significancing all, all in your path who know Me or quests after Me.

16. More, faster, run, son—as you sit at My feet, preparing, preparing, preparing for My outpouring on you and yours and Mine and ours like creativity of mammon has never seen.

17. Oh look, oh see, oh receive.

Oh embrace, oh joy, laugh, smile, constantly.

18. Graphic be as you chart and graph My words and precepts.

Graphic be.

Graphic be more and enjoy Me.

19. I am blessing Mike [G] and I am raising you and I am raising him and you all will raise many.

20. Ready, ready, ready.

Fly and enjoy flight and those I fly with you.
Fly, enjoy, smile, laugh.

21. Work in the en-laughing-authority I've given you—
Smile-power, laugh-power, faith-power, My power.
All Mine, Me, all Me, Me alone, Me only.

22. I will not share My glory Ted, you know, you know, you know.
Remember—know deeply and deeper.
I will not share My glory.
I will not share My glory.

23. Thank you, thank you, thank you for not being afraid of Me or walking with Me through **this adventure—the building of new paradigms of worship and education and commerce—and creativity of Me, Me, Me displayed**—unashamed, unashamed, for the unashamed, of Me.

24. Commerce central—from education central—based on worship central—of Me.

Meekness turns the key of your power.

Meek be, solid be, vacillating not, secure in Me.
Protected, peace-ed, provisioned, provided.
Protected, peace-ed, provisioned, provided.

27. Many relationships come now to connect My words through you, to their many Mine—and you go, you go, you write, you rest, **you teach to pray and intercede.** You never retaliate or retribution even consider, for past mistakes and misunderstandings—all under My blood, all under My blood.
My blood covers all.

Forward march—Argentina—and more—

Teach, accept, go forth.
Laptop and laptops and technology and servers and servants—
For only Me.
Free, free, free.

28. Isaiah 61, Isaiah 61, Isaiah 61—
Break Isaiah 61 open for My body and rejoice as I blow on it, on it, on that teaching—on
that wisdom, as those lines and spaces and ink and revelation penetrate past centers of
control-oriented dominating self-perpetuation.
I breathe on it.
I breathe on Isaiah 61. I breathe on Joel 2.
I breathe on you and Argentina and all who will exchange their ashes for My beauty.

29. Beautifying My Bride—I am I am.
